	<b>Exceeds Expectations</b> [100%]	<b>Excellent</b> [95%]	<b>Good</b> [85%]	<b>Acceptable</b> [80%]	<b>Needs Work</b> [55%]	<b>Insufficient</b> [40%]	<b>Absent</b> [0%]
<b>Application</b> [70%]	Work meets all of the excellent qualifications but is a step above in its extremely polished execution. Everything looks uniform and professional. It is easy to see a lot of thought and effort went into the analysis, synthesis, and preparing the documents to turn in.	The Simple Remote Usability Test Sheet has been fully updated to include thoroughly analyzed and synthesized data resulting in 'Group Agreed Upon Changes to be Made'. The report has all of the elements required and was formatted properly. The key findings have representative screenshots, they are incredibly useful and make sense, and they each include both representative quotes and easy to understand charts for metrics.	The work meets all of the requirements for excellent except it may be somewhat lacking in the analysis & synthesis. Or, the report may be lacking 1 to 2 fully fleshed out elements, or the key findings may need some tweaking to be incredibly useful, or their presentation may be lacking in 1 to 2 representative requirements.	The work meets all of the requirements for excellent except the analysis & synthesis may need to be more thought out to be completely useful. Or, the report may be lacking in 2 to 3 fully fleshed out elements, or the key findings may need extra work to be incredibly useful, or their presentation may be lacking in 2 to 3 representative requirements.	The work fails to meet the minimum requirements of the assignment, but it does attempt to address them. It overall needs a lot of work in order to meet an acceptable rating.	Late	Missing
