

# Scenario Map

Liz makes a lunch plan with Lisa

**Context:** Liz is a vegan who would like to make lunch plans with her friend, Lisa, who is an omnivore. Liz wants to find something she can eat that sounds good, and isn't the same old thing she always eats. She and Lisa have started making plans for next Saturday, which looks like it will be a nice day, and Lisa has invited Liz to join her on an app she likes to use to make plans with friends.

Liz has a dog who is also friends with Lisa's dog, and they are always looking for new places to take the dogs for walks while they hang out.
